PROFESSIONAL SUMMARY

A highly driven 16-year-old Science student and multifaceted creator. As a published author and web developer, I bridge the gap between technical logic and creative storytelling. I possess strong communication skills, capable of articulating complex technical ideas and narrative concepts clearly to diverse audiences.

CORE STRENGTHS

- Web Development (HTML, CSS, JavaScript)
- Strong Communication Skills
- Published Author
- Manga Artist & Illustrator
- Storytelling & Plot Development

EDUCATION

Science Student, Expected Graduation: 2028

INTERESTS & ACHIEVEMENTS

Creative Writing | Manga & Anime | *Technology*
